MARANTZ PMD321

The Marantz Professional PMD320 and PMD321 compact disc players provide the audio professional with commercial grade quality and features. Both offer highly specialized features such as pitch control, fader start, Marantz RC-5 remote compatibility, and coaxial (RCA) digital output.

The extraordinary sound quality of the PMD320 and PMD321 is achieved by using state-of-the-art bitstream conversion with 32x oversampling and 4th order noise shaping, to maintain pure signal clarity. The one-piece 2U rackmount chassis ensures stability and professional appearance. Additionally, the PMD321 offers defeatable cue-to-music, balanced XLR analog outputs, XLR digital output, and independent analog volume output controls' which make the PMD321 a versatile source for any type of professional application.
