PEARL DR-503 DRUM RACK

The Pearl DR503 ICON 3-Sided Drum Rack is the world's first height-adjustable drum rack that uses 100% slip-proof square tubing. The Icon system provides infinite and independent adjustment to any position on its 34" long legs. Set-and-forget memory clamps allow quick and repeatable set ups without tools. The T-style feet are very stable. Includes front and 2 side sections. Equipped with 7/8" tom and cymbal holders on each front leg. All rack bars are 36" for compact storage and easy transport. Includes 4 PCX100 clamps and 2 PCL100 clamps.
