Promark designed the Select Balance system utilizing the 5 most popular drumstick diameters, 7A, 5A (2), 55A and 5B. Each model is available in either a FORWARD or REBOUND balance version. Choose FORWARD to optimize POWER and SPEED with a front-weighted feel or REBOUND which optimizes FINESSE and AGILITY with a rear-weighted feel.

- Hickory is the most popular wood choice for drumsticks due to its resilience, responsiveness, durability, and classic feel
- Length 16"
- Diameter .550"
- A modified tear drop tip provides warm tone with good articulation and great cymbal response.
- All Promark drumsticks are designed, engineered, and manufactured in the USA at our Texas facility to the most stringent quality controls in the industry
