PLANET WAVES GRA-10 CAVO STRUMENTALE JACK/JACK 90 3 METRI

Built for the discerning musician and the most demanding situations, Planet Waves offers built-to-last durability, while accurately transferring the subtle details of your tone through our exclusive In=Out technology. Custom Series cables feature ultra-pure twisted pair, oxygen-free conductors with encapsulated soldering points formulated for extremely low capacitance. This ensures pure signal clarity and precise transmission of your instrument's true character. Additionally, two layers of impenetrable noise-rejecting shielding, coupled with unmatched strain relief, deliver the ultimate high-performance cable. And, all Planet Waves cables are guaranteed for life!
