The Creator Moving Light Controllers are the most affordable controllers with a very high build quality and the most amount of features available on the market. The Creator 2048 is the larger brother of the Creator 1024. It is capable of controlling up to 200 fixtures to a total of 2048 DMX channels divided in 4 DMX universes with optical isolated 3 pole XLR connectors. Important features are the possibility of creating your Cue Lists, the built-in Shape Generator for Pan/Tilt, RGB, CMY, Dimmer, Color, Gobo, Iris, Zoom and Focus, the playback pages and playback faders, the fast selectable fixture groups and a easy to read display. The intuitive software makes programing and using it in live situations extremely easy and versatile. The Creator 2048 comes including a dust cover and flightcase.
