VANDOREN A5 M V16 BOCCHINO CONTRALTO
HARD RUBBER

The V16 series A5 M Alto Saxophone Mouthpiece captures the famous Jazz saxophone sounds of the '50s and '60s and defines them for a new generation. Featuring impeccable intonation and articulation, the series is designed to be free-blowing and harmonically colorful with a homogenous, powerful sound and a rich dynamic range. The Medium chamber gives a rich, accurate and very balanced tone with great warmth, expressiveness and flexibility. Ideal for section playing or player with a large airstream. The A5 is the mouthpiece preferred by history's greatest jazz solists.

Facing: Medium Long
Ligature : Not Included
Material: Ebonite
