Collezione di campioni di batteria da BeatPort

If anyone knows what makes a track pulse, it's Beatport, the world's largest DJ and electronic music community. Exclusively created for iZotope's BreakTweaker, this impressive-sounding drum sample collection from Beatport Sounds is perfectly suited for modern drum production. With solid kicks, snares, and a little percussion thrown in for good measure, Kicks & Snares will augment your already-stellar Factory Library with fresh flavors from the labs at Beatport. Simply load up the samples within BreakTweaker's Generator to start crafting your perfect kit. N.B. Il prodotto viene consegnato sotto forma di licenza elettronica
