B.C. RICH MOCKINGBIRD ART SERIES - SPIRO LIGHT

The "Body Art Collection" includes a selection of limited edition electric guitars made by the guitar manufacturer B.C. Rich. The series is based on the company's 'platinum series' and was made over two years from January 2003 until December 2004. The classic B.C. Rich shapes were given a new look with various images. Each guitar in the series carries a unique serial number and a 'limited edition' plaque on the reverse of the guitar, incorporated into the bolt-on neck.
