S-1030LS | Concert SD Stand, Single Braced Legs

s1030ls | s 1030ls | supporto per rullante | asta per  
rullante | supporto per rullante sinfonico

The single braced tripod lightens the load of the traveling performer while still offering maximum stability. As part of the award winning Advanced Hardware System, the S1030LS features the GyroLock tilter and UltraGrip wingnuts giving the performer unlimited adjustability and versatility for concert snare performance.

Adjustable height from 24.8" to 31.9".
