BRIAN SIGNATURE FRESIER MOORE | 14X5,5

Built to capture the tonal nuances of the recording studio with live venue power, master drummer Brian Frasier Moore designed his new Pearl Signature Snare Drum to master the widest dynamic range possible.

This luxurious instrument features the strong, recording-friendly shell combination of North American Maple and premium imported Gum wood. However, its extra-thick 12-ply configuration, Mastercast Die-Cast Hoops, and streamlined CL bridge lugs add significant volume and attack.

"In my opinion, a great snare drum provides power, tone and versatility," Brian states. "I'm proud to say that we've accomplished these things with my Pearl Signature Snare. If you're looking for that complete sound, then this is the snare for you."

Available in Gloss Natural burst Lacquer over Artisan Exotic Gum wood outer veneer, Brian's Signature Snare is a must for the ever-evolving timekeeper.

SHELL: 12-ply 15mm (2-ply Gum Outer / 8-ply Maple Middle / 2-ply Gum Inner)
