SHPR2b PRails Hot Bridge White

'11303-04-W A hotter, more aggressive version of our P-Rails versatile humbucker pickup with alnico 8 bar magnets for added punch. If you like the original P-Rails, but wanted an even hotter versatile humbucker pickup, this is the one for you. Wound for maximum output, and combined with a pair of Alnico 8 bar magnets, this pickup is a versatile beast. You get all of the versatility of the original P-Rail, but with a more aggressive output. Use with a 3-way mini-switch to access the split coil options or combine with our Triple Shot switching mounting ring to unlock all of the possibilities. Use with our original P-Rails neck model for the ultimate versatile setup. Hand built in Santa Barbara, CA, the P-Rails Hot humbucker uses a pair of Alnico 8 bar magnets, comes with a 4-conductor lead wire for all of the wiring options, and is vacuum wax potted for squeal free operation.'
