BLACKMAGIC WEB PRESENTER 4K

Blackmagic Web Presenter 4K è la soluzione definitiva di streaming in HD e Ultra HD con motore professionale hardware di streaming fino al 2160p60 per andare in diretta sulle piattaforme come YouTube, Facebook e Twitter usando ethernet o la rete mobile di un telefono 5G o 4G. Le connessioni USB funzionano come le webcam: basta collegare un computer per usare qualsiasi software video. Vanta anche un'uscita per il monitoraggio tecnico con video, livelli audio e grafici di andamento.
