PEARL Masters Maple Gum Series 14"x5" Snaredrum  
in #418 Blue Abalone Custom Finish

Delivering arguably the greatest drum tones ever recorded, Pearl's fresh take on the legendary Maple/Gum shell recipe reaches new levels in dynamic punch and sensitive response with the sonic warmth and explosive low-end response. Crafted originally as the Masterworks Sonic-Select Studio Recipe, this EvenPly Six combination of premium North American Maple and figured sweet Gum wood creates a thin but very dense shell. Combined with the shallow 60-degree bearing edge and heavier Die-Cast hardware load, Masters Maple/Gum snare drums deliver a punchy, immediate tone that is perfect for recording.
